Background and Experience
Brief presentation of our organization

"Fostering leadership by igniting youth actions for unity, equality, and prosperity"

LDA Europe is a non-profit non-governmental organization run by young professionals, focused on leadership, democracy, good governance, entrepreneurship, technology & innovation, professional growth, and many management areas. We work towards empowering citizenship education and creating an equal society in Balkan.

Our vision is to help young individuals to realize their potential and become leaders and change-makers in their community. The young generation has the potential to solve the most complex problems of our society. We strive to inspire global youth for constructive engagement and enhance their professional and personal skills through collaborative partnership, international educational & cultural exchange, training, and volunteerism.

Our mission is to create an international platform that helps young individuals to develop their personal and professional skills through working within an international environment. We aim to develop ethical and moral principles in young people as we believe that young people's potential is a movement for the future, for a better tomorrow.

Leadership
Our board of directors consists of one President, one Vice- President, one Administrator, and 10 (ten) member representatives by 2 (two) from each country.

Our core values are the pillars of all that we do:

- **Integrity**: We are committed to honesty, accountability, and transparency in all our endeavors. We are accountable to the people and partners we humbly serve, transparently sharing our results, stories, and lessons.
- **Inclusiveness**: We work with others regardless of race, gender, age, creed or nationality, color, political affiliation, gender, or belief.
- **Professionalism and teamwork:** LDA values effective teamwork and collaboration when delivering professional services. We strive to attain the highest standards and we are committed to participatory decision making.
- **Excellence**: We challenge ourselves to the highest level of learning and performance, tapping the best of the human spirit to create impact.
- **Innovativeness and creativity**: Pursuing innovative and effective solutions, creative ideas, and ongoing improvement. Innovation is a key driver for our growth. We believe in urgent action, innovation, and the necessity of transformation—within the world and our own organization.
- **Equality**: We believe in the equal value of every human being and the importance of respecting and honoring everyone; we know that change happens through people.

LDA activities include trainings programs for different target-groups, seminars, conferences, workshops, joint events, projects related to the association's objectives, research and studies, street shows, public campaigns against domestic violence, promoting environment protection, promoting a healthy lifestyle, public debates, internships, educational activities for patients, journalists, students and parents to increase their level of knowledge and capacity building.

Please describe how do you plan to select the participants for this project and how will you ensure gender balance. (e.g. open call; members of organization; in cooperation with other organizations/institutions in your area; or others)
As the sending and hosting organization, we carefully select participants and provide comprehensive training on the project's topic, as well as on potential cultural risks, overcoming language barriers, and fostering intercultural communication. We guide participants in planning their journey to the project destination, emphasizing the importance of active engagement, responsibility, and using the project as an opportunity for informal learning rather than merely a holiday abroad. Additionally, we assist participants in obtaining visas if required and provide necessary legal documentation to obtain permission from their educational institution or workplace. Serving as a bridge between the hosting organization and participants, we ensure seamless communication and support throughout the project duration.
